

Refund & Returns Policy

Overview

Our refund and returns policy lasts 30 days. If 30 days have passed since your purchase, we can't offer you a full refund or exchange.

To be eligible for a return, your item must be unused and in the same condition that you received it. It must also be in the original packaging.

Several types of goods are exempt from being returned.

- Gift cards
- Downloadable digital products
- Some health and personal care items

To complete your return, we require a receipt or proof of purchase.

There are certain situations where only partial refunds are granted:

- Any item not in its original condition, is damaged or missing parts for reasons not due to our error.
- Any item that is returned more than 30 days after delivery

Once your return is received and inspected, we will send you an email to notify you that we have received your returned item. We will also notify you of the approval or rejection of your refund.

If you are approved, then your refund will be processed, and a credit will automatically be applied to your credit card or original method of payment, within a 7 days.

Late or missing refunds

If you haven't received a refund yet, first check your bank account again.

Then contact your credit card company, it may take some time before your refund is officially posted.

Next contact your bank. There is often some processing time before a refund is posted.
